As Le Demi Chapeau Nationale will be an honor to serve as your liaison between the Eight and Forty and the American Legion Child Welfare Foundation. Our 2022–2023-year goal was \$11,000.00 to \$15,000.00; we came so close to that \$10,000.00 mark with \$9982.68. Am hoping we can make our goal this year (2023-2024) \$10,000.00 to \$12,000.00.

Working together if each partner gave \$6.00 would be over the \$12,000.00. Get your thinking caps on and raise money to help each partner contribute at least \$6.00.

Just remember every quarter, dime, nickel and even pennies add up. Just pass the piggy banks at your meetings or have your partner take them home to put their change in, and sure you can come up with lots of ideas that will be fun and lots of money too.

If you have any questions, just give me a call or email, contact information is below.
