

**THE KEY TO THE CURE ARE THE 8&40 PARTNERS**

**NOVEMBER 2023 BULLETIN – KAREN PEEL, CHAIRMAN**

I hope that you have all set your goals for this year. I can't wait to read all about the wonderful things that you have planned for this year! Be sure to share your ideas with all the partners. Also – be sure to take lots of pictures!

The holidays are almost here. Has your Salon reached out to a child and their family in your community to adopt for the year? Our Special Children need to feel our love for them, especially during the holidays. Reach out to Respiratory Clinics at your local hospital to see if they know of a family that could use our assistance. If you cannot adopt a family, ask the clinic what you can do to assist their patients throughout the year. It's not too late to put a plan into motion.

At this time of the year, please take the time to be thankful for the many blessings that we have been given. One of them being the opportunity that we have to serve our beloved organization and our Special Children.
